

**Tropical Haven Strata Plan No. 146**  
**Executive Committee Circular Resolutions made this March 11, 2021**

In reference the issue of extensions to the standard square footage original to the strata.

**RESOLVED THAT** the Executive Committee will not approve any new extensions or other exterior modifications until further notice. It is first necessary to clarify the legal boundaries between private and common ownership.

**RESOLVED THAT** the Strata Corporation does not maintain any improvement to the rear of the units (any patios, porches, extensions) not original to the strata. It is further resolved that the strata will not levy any charge on this property for the purpose of maintenance. These areas are deemed to be the responsibility of the individual owner to maintain in good order.
